Handouts Provided: Each participant will receive a learning log, a regular and a red pencil, and class handouts.

Supplies Required: At class you are required to have: SWR, Wise Guide, Phonogram cards, and blank lined notebook paper. Advanced study of at least the phonograms is required. Study of the introduction and early steps in Spell to Write and Read is highly recommended. Materials will be sold on site. To assure an adequate supply, please specify ahead of time items you hope to purchase.

Pre-registration: We appreciate registrations *a month to two-weeks prior to the class* so that we can properly plan to serve you. Some classes fill up early. A \$25 deposit will secure a slot for you with the balance due at the class. If you need to register later because of some condition outside of your control, please contact your local hostess to confirm space availability.

Preparations BEFORE training: cut apart and laminate phonogram cards and rule cards (see directions in packets), study to become familiar with phonogram cards, listen to phonogram CD, read over steps 2, 5, and 6 in the reddish SWR manual, and read over the rule cards. *Bring both manuals, phonogram cards, rule cards, a teachable spirit, and a sense of humor to training. ☺*

This is a two day seminar from 8:00 – 5:00 p.m. each day. An optional third day practicum/intermediate class is available. Lunch is on your own. Sorry no childcare is available.
