## SWR Seminar Information \_

**Basic Seminar:** Basic foundational principles taught illustrated using K-2 words with pointers for adapting to older students. Good for teachers of all ages.

**Advanced Seminar:** Prerequisite, a basic class with an endorsed SWR instructor. Basic principles expanded using 3rd grade+ words. Valuable for lower grade teachers too.

**Class Details:** For specific information about particular seminars please contact directly the instructor for that class or the local class hostess.

**Schedule for Classes:** Class times vary. Please check details for specific class. No childcare provided. Students in sixth grade and up may register with parent.

**Handouts Provided:** Each participant will receive a blank learning log (primary for the basic and black for the advanced), a regular and a red pencil, and class handouts.

**Supplies Required:** At class you are required to have SWR, Wise Guide, Phonogram Cards, and blank lined notebook paper. Advanced study of the phonograms is recommended. Study of the introduction and early steps in Spell to Write and Read is highly recommended. Materials will be sold on site. To assure an adequate supply, please specify ahead of time items you hope to purchase.

**Preregistration:** We appreciate registrations a month to two-weeks prior to the class so that we can properly plan to serve you. Some classes fill up early. A \$25 deposit will secure a slot for you with the balance due at the class. If you need to register later because of some condition outside of your control, please contact your local hostess to confirm space availability.
